

Class 2 work for Thursday 5th and Friday 6th November

Class 2

Phonics

The children have enjoyed playing on Phonics play and this helps with recognising and blending real and nonsense words. Year 1 have started looking at consonant blends in phase 4 and year 2 are recapping phase 5 particularly split digraphs a-e, e-e, i-e, o-e and u-e.

<https://www.phonicsplay.co.uk/>

Go to resources, then click on one of the three activities at the top of the page and focus on phase 3. The children will need to sort real and nonsense words.

Spellings this week

The children brought home their latest spelling grid yesterday so please check their bags and practise spelling the words and writing them in sentences.

I have put together some activities linked to the history of why we celebrate Bonfire Night for you to work through.

There is a powerpoint giving a brief history, a writing sheet for the children to write about what they remember from the Gunpowder Plot. There are two versions of the writing template depending on the size of handwriting and amount your child wants to write but they could retell it in anyway that appeals to them.

I have added some Bonfire themed maths and some craft tasks.

Your child might also like to learn the rhyme

'Remember, remember the fifth of December...'
