HEAD TEACHER'S HIGHLIGHTS

Dear parents

A short but fun week for everyone here. The children had a great time planting a tree each for the Queen's Green Canopy. They have had an important message about how important trees are to the environment and the part they play in looking after them.

The children look fabulous in their red, white and blue clothes, it really puts us in the mood to celebrate the coronation! A big thank for everything the Friends of School have done to organise this afternoon, I hope you all have a wonderful time.

Enjoy the coronation weekend.

Best wishes

Jenny Griffiths

IMPORTANT DATES FOR THE DIARY

8th May – Bank Holiday for the Coronation

12th May – Exotic Zoo visiting school

16th May—Year Two leaver photographs being taken

26th May – last day of half term

5th June – back to school after half term

Year 2 Leaver Photographs

Academy Photography will be in school on 16th May to take photo's of our Year 2 children.

Please keep an eye out for the consent form to follow next week!

This child very proudly told us about his grandfather who was born on the same day as King Charles and was sent a voucher for a birthday cake from Princess Elizabeth!

The Queen's Green Canopy

WELCOME TO CLASS 1 PAGE

Well, what an exciting week we have had in class 1! From coronation preparations and parties to tree planting at the deer park! The children are all very excited about King Charles III's coronation on Saturday and have loved learning all about him this week.

Our caterpillars are growing so fast, we think they may be getting ready to go into their chrysalis' soon!

In our art lessons we have been practicing our felting skills and after mixing two colours of wool together last week we rolled them into a ball and joined them all together to make a big, long, rainbow caterpillar!

In English this week we have been writing descriptions of trees and crowns which ties in with our learning about The Queen's Canopy and the King's coronation.

In maths the reception children have been looking at the number 5. We know lots of ways to make 5 now and we say '5 is made of 4 and 1, 1 and 4 makes 5!'

Year one have been grouping objects to make it easier to count.

We hope you have a fantastic weekend and we will see you next week!

Class 1 Star

Rewarded for playing nicely with his friends.

WELCOME TO CLASS 2 PAGE

It has been an exciting week in Class 2! The children have really enjoyed learning about the coronation and took part in their own ceremony.

They look wonderfully royal in their beautifully decorated crowns.

We also made cards for King Charles III to congratulate him on his coronation. We were inspired by the pledge by the English Heritage to create 100 meadows and designed cards showing the wonderful world around us and the Great oak at Boscobel House that King Charles II hid in.

On Wednesday we were proud to plant some trees at Chetwynd Deer Park as part of the Queen's Canopy. We all had a wonderful time, and the weather was great too!

Class 2 Star

Rewarded for working hard and being kind to everyone.
