HEAD TEACHER'S HIGHLIGHTS

Dear parents

Another great week here with lots going on. I hope the Year 1 and Year 2 parents who joined us on Monday afternoon enjoyed seeing the children singing and playing with glockenspiels. I thought their concentration was outstanding as did Mrs Jackson. She has really made a difference to the children's musical knowledge and I am pleased to say she will be also working with the Reception children in the new academic year.

We also had a visit from our Community Police Officers Andy, Sue and Merrick who talked to the children about staying safe and also answered lots of questions about their role. They even joined in with some lunchtime football which the children thought was great fun. I am sure they will be returning again soon.

Our Full Governors Meeting was held this week and we welcomed Mrs Jo Newell as our new Parent Governor. I would like to thank Mrs Richardson who has been our Staff Governor for the past four years for her time and input. Our school is lucky to have such a committed team of Governors.

The staff enjoyed a wonderful treat on Wednesday. Mrs Akbar kindly prepared a whole range of dishes of home cooked food. Each one was delicious and we very much enjoyed them. Many thanks from all of us.

Best wishes

Jenny Griffiths

IMPORTANT DATES FOR THE DIARY

20th July—Leaver's Lunch—change to menu—hotdogs or quorn sausages, chips, beans, onions and sauce followed by shortbread, and ice cream with a flake, sprinkles and sauce

21st July—Leavers Assembly for Year 2 parents at 9:15am in school for approximately one hour. **Please bring a chair as we will aim to hold this event in the playground if the weather is dry.**

Year 2 message

Thank you to everyone who has returned their football kits!

We are missing two full kits now (top, shorts and socks) and one pair of socks.

A photo of the socks is shown here, if you've got any kit at home please could you return it before the end of term, thank you.

Oak Tree Saplings

The family of one of our children has very kindly given us some oak tree saplings—a big thank you to them! There is one for every child outside of school so please take one. We hope you enjoy watching them grow!

Newport Show - we hope you got to see our display at the show!

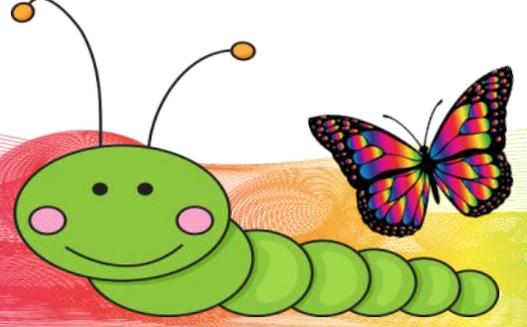

Year One and Year Two Music Performance

A huge well done to our Year One and Year Two children on their fantastic music performance. It was lovely to hear them all playing such a variety of songs together, the Reception children thoroughly enjoyed watching them and we hope parents did too.

WELCOME TO CLASS 1 PAGE

Another busy week has come to an end as we race towards the end of the school year!

Our English focus this week has been a lovely story called 'Once in a Lifetime.' The man in the story is having trouble with his flying machine when, to his surprise, a group of flying sea turtles arrive to help him! The children enjoyed writing about other animals that would surprise the man if he saw them flying towards him. A flying T. rex was the most imaginative idea!

In phonics this week we have learned the sounds ai (snail in the rain), oa (goat in a boat), ew (chew the stew) and ire (fire, fire!)

In maths reception have been recapping their learning about counting objects up to and beyond 20. The children remembered that if the objects can be moved then we can put them in a line or in groups to count them and if they can't be moved, we can cross them out to avoid counting them twice.

Class 1 Star

Have a nice weekend and we will see you next week.

**Rewarded for being noticed doing
the right thing all week by all the
grown ups.**

WELCOME TO CLASS 2 PAGE

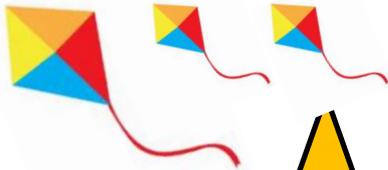

We made our carp kite then we tested it in the school playground. Look at them fly! We tested to see if the size of the cylinder made our kites work better.

It has been lots of fun in Class 2 this week!

Have you ever made or flown a carp kite?

Class 2 Star

Then we designed a diamond kite and tried to copy our design. We hope it will fly high into the sky very soon.

Rewarded for being a wonderful role model and support to other children in the class.
