HEAD TEACHER'S HIGHLIGHTS

Dear parents,

What a busy year we have had! There has been story telling, celebrations, explorations, the history of our school, the weird and wonderful and finally we have ended with the children soaring to success with their learning about flight.

Thank you to all our parents who have continued to support our school in so many ways. The support you give us is invaluable helping your child with their reading, homework tasks and joining in with all our events—we love to share the children's learning with you.

We now have to say good bye and good luck to our Year 2 children. They have been a pleasure to work with on their learning journey, and they should be very proud of the progress they have made. They are kind, thoughtful and studious individuals. I am sure you enjoyed hearing the children's memories in our Leavers Assembly this morning and I am sure their singing and dancing made you so proud and maybe brought a tear to your eye. The Year 2 children are ready for their move to Year 3. Mrs Whitefoot who has put together a video of the children's special memories for you to enjoy, a great job and much appreciated!

Can I take this opportunity to say a big thank you to all our staff who have worked so diligently throughout the year to ensure your children have the best learning opportunities.

Stay safe and I look forward to seeing all those who are returning, and hearing about all those who have moved on.

Have a wonderful holiday everyone.

Jenny Griffiths
