Return to School

Wednesday 4th September

Dear parents

We have reached the end of another wonderful year in Church Aston. We are so proud to see our Year 2 leavers prepared and ready to take their next steps on their learning journey in their new schools. We will miss them. It has been a pleasure to see them grow and develop over their time here. I

hope they remember all the things that they have been taught in Church Aston and go with confidence to Year 3. Good luck to each of them.

We shall also be saying goodbye to Mrs Jones and Miss Bate who will be taking on their new roles in September. Thank you to them both for all the time and effort they have put into their work here. We hope they continue to enjoy the next part of their career.

On a personal note, I would like to say a huge thank you to all our fantastic staff for their commitment to our children and school as a whole. They have been a joy to work with and are everything that you would want in a team. I have also been lucky to have such a supportive Governing Body who give their time, knowledge and skills willingly to ensure we provide the best for our children, so thank you to them for this.

All that we do couldn't happen without the support of our parents, your support for your children is immense and makes such a difference to your child's achievement. The help that Friends of School offer and their continued enthusiasm for making each and every event special really does "put the icing on the cake"

As I look back and reflect on my teaching career of 35 years, I have such happy memories of each of the schools I have worked in. I wanted to be a teacher from the age of 8 and I know how very lucky I am to have had the opportunity to see that dream fulfilled. To be Headteacher of Church Aston and part of its unique history will always hold such treasured memories for me.

I have always said that Church Aston has a special charm all of its own. Long may the excellent work that is done here and the family atmosphere that is so strong continue well into the future. Love and care really do live here.

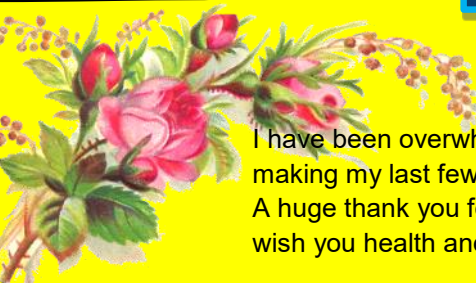

Have a fun and happy holiday. Stay safe.

With best wishes

Jenny Griffiths
