Dear Parents and Carers

With this half term being so short we have had another busy week squeezing learning in!

Class 2 have been studying the story of Duffy's Lucky Escape. It tells the story of a sea turtle who eats plastic from the ocean. The story explores what happens to Duffy as well as highlighting what we can do to reduce plastic going into our oceans. The children have written some amazing descriptive passages around the story and are very clear on the message the story gives. Of course this fits neatly with our theme for the Newport Carnival.

Friends of School are running a workshop in the village hall this afternoon at 1.30pm for anyone who would like help or inspiration for hats for the carnival. A team effort can really make the difference! I can't wait to see what inventive ideas you all have.

Class 1 have been taking advantage of the weather this week, doing PE activities outside and making use of our new patio area for sand and water play. Our Reception children have been thinking about capacity comparing amounts and beginning to use the language of full, half full, empty, nearly full. Whilst Year 1 have started to look at standard measurements of millilitres and litres.

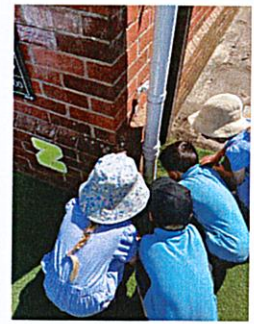

A big thank you goes out to all of you who are making use of our Breakfast Club. Since we extended our opening time to 7.40am in January we have seen a gradual increase in numbers of families making use of it, almost half of the school! The children are enjoying the breakfast provided and having some free time to interact with friends. Could I just remind you that we stop serving breakfast at 8.15am, to allow for clearing up, so please drop your child off before this time if they would like something to eat. Thank you.

Have a super weekend and make the most of the weather whilst it lasts!

CLASS 1

We learned about micro habitats and looked for mini beasts in the garden.

ART CLUB

Thank you to everyone that has been sending in recycling. We have already started using these in Art Club. We've been painting on top of newspaper, making cardboard fish, and plastic jellyfish. Art will be completed over the next few weeks and form part of the Newport Show display.
