HEAD TEACHER'S HIGHLIGHTS

Dear parents

School Council held their first meeting and enjoyed having lunch together. They were discussing equipment that we have in school and if there was anything that we would need more of. As the children will be doing PE sessions linked to The World Cup. They felt they needed more footballs to use. We were happy to oblige and update our resources.

Thank you to the parents who came to listen to our online safety talk. I hope you found it interesting and it will be useful for you. Please see the QR code below with the presentation for you to follow up any of the details.

Some parents have accessed the Parent View Questionnaire, if you haven't had chance to do this yet please can I remind you again. The link can be found below, I know many of you were very keen to complete it for us.

<https://parentview.ofsted.gov.uk/>

The children were thinking about Remembrance Day and what it means to many people here and around the world. They have done some lovely artwork based on this. Also, one of our children whose father is in the forces shared his medals with us in assembly. He was very proud to talk about them to us, a big well done to him.

Our thoughts are with you on this Remembrance Sunday.

Best wishes

Jenny Griffiths

CHURCH ASTON ONLINE SAFETY FOR PARENTS

IMPORTANT DATES FOR THE DIARY

Monday 14th November 2022—Bags to School—Please use your own bags

- If a child has an Education, Health & Care Plan the closing date is **31st October 2022** **for all applications.**

**THANK YOU VERY
MUCH FOR BRINGING
IN YOUR FATHER'S
MEDALS TO SHARE
WITH US .**

CLASS 1

Well, it's been a horrible rainy week, but on Tuesday Mrs Reynolds saw a rainbow so beautiful that we all had to leave our maths and go outside and look at it! It really cheered us all up.

In Maths this week Reception have been comparing numbers, talking about more than and fewer than, too many or not enough, and introducing the concept of 'equal'.

Our year 1 children are reinforcing their knowledge of 5 and how it can be partitioned into 2 or more parts. The children have explored this in many ways including problem solving.

In English we have been reading a new book set in India, 'Princess Anjula's Jungle Adventure' and we have been predicting what might happen in the story. Reception have been learning about the Taj Mahal and Year 1 have been finding out where in the world India is, and what continent it is in.

We have continued our learning about Autumn this week and have used crunchy autumn leaves to decorate a hedgehog and to make a cosy den for a bear. We also had a think about what our bear would need to wear on an Autumn walk.

Reception's new sounds this week have been **v**, **y**, **w**, **th** and **z**. We know a lot of sounds now and are practising blending them together to make words.

Please would you try to prevent your children bringing their own toys to school as this causes lots of problems in the classroom. Thank you!

Rewarded for always making sure our classroom stays tidy and organised.

STAR OF THE WEEK

CLASS 2

The class have made a wonderful start to our new topic 'India'. They have been busy using a map and an atlas to locate India in the world, learning what continent it is part of and the countries that border it.

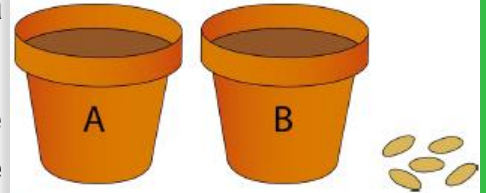

Did you know there are 6 countries that border India?

For homework we have asked the children to research something they are interested in about India, and we are looking forward to seeing the work and hearing the facts in the next few weeks.

In maths the Year 2 children are adding and subtracting 10 and looking at the impact it has on a two-digit number.

Our Year 1 children are reinforcing their knowledge of 5 and how it can be partitioned into 2 or more parts. The children have explored this in many ways including problem solving.

'Pot A has more seeds than Pot B. There are five seeds altogether.'

- 'How many seeds might be in each pot?'
- 'How many seeds cannot be in Pot A?'

31	32	33
41	42	43
51	52	53
61	62	63

'Ten more than ___ is ___. ___ is ten more than ___.'

'Ten less than ___ is ___. ___ is ten less than ___.'

Rewarded for being an all round superstar and working hard in all her lessons.
