HEAD TEACHER'S HIGHLIGHTS

Dear parents

Another short but happy week. I hope you all enjoyed the Feast Fit for a King on Friday. The coronation was a spectacular event, I hope the children's learning in school helped their understanding of it.

The children are really enjoying their topic of weird and wonderful and are looking forward to the Exotic Zoo visiting this afternoon. Thank you to Friends of School for fundraising and enabling us to offer this opportunity to our children.

We have a few more tea towels available—if you would like one just let us know.

Best wishes

Jenny Griffiths

A celebration
to remember!

IMPORTANT DATES FOR THE DIARY

16th May—Year Two leaver photographs being taken

26th May – last day of half term

5th June – back to school after half term

5th June— Friends of School Meeting 8:15pm Zoom

7th June—Year 2 to Forest School

10th June—Newport Carnival

23rd June— Mufti Day

4th July –Sports Day

14th July—Leaver's Party 3pm to 5pm

OUT OF SCHOOL ACHIEVEMENTS

Congratulations on your Blue Peter badge and your swimming achievement!

Newport Carnival

Fairytales is the theme this year! If your child is taking part please have fun creating a costume. So we can get a range of fairytale characters we have a list for you to choose from — please see your class teacher or Mrs Griffiths to add your child to the list.

Also, please see the attached letter with carnival details.

BLUE TEAM

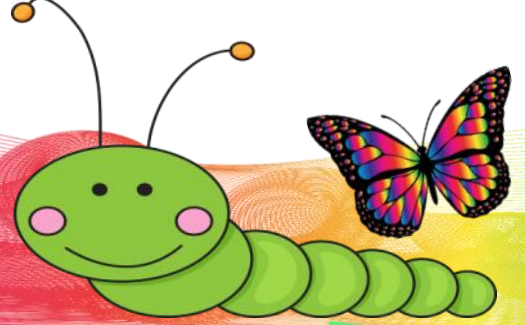

**HAPPY
BIRTHDAY**

A Feast Fit for a King!

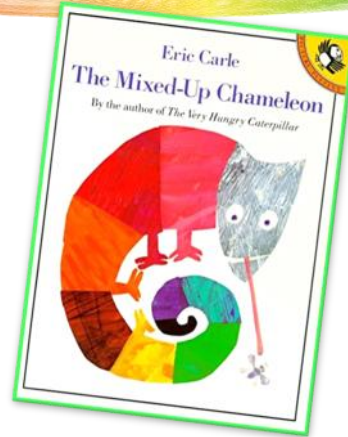

WELCOME TO CLASS 1 PAGE

Well, it has certainly been a weird and wonderful week in Class One!

In English our focus book has been 'The Mixed Up Chameleon' by Eric Carle who also famously wrote The Hungry Caterpillar. We loved hearing about all the animals the chameleon wanted to be, he looked very funny when he was mixed up! We created our own

mixed-up animals and wrote about them, they were very funny!

The Mixed Up Chameleon was our inspiration for some fantastic watercolour and bubble wrap art work this week too.

In maths Reception have been looking at the different ways to make 10. We were thinking about 10 sizzling sausages in a pan and one going bang! How many sausages would be left in the pan?

In Year One we have been making groups of 10 and showing this using equipment and pictures.

Our caterpillars are currently hanging upside down so we think they might go into their chrysalis' over the weekend!

Class 1 Star

We are ending our weird and wonderful week with a visit from Exotic Zoo which will be very exciting and interesting!

Have a nice (two day) weekend and we will see you next week!

**Rewarded for working super hard in
maths and writing this week.**

WELCOME TO CLASS 2 PAGE

Class 2 have been enjoying exploring food chains in our science lesson and the children were introduced to the vocabulary producer, consumer and predator. They then sorted animals in the correct order in a food chain, remembering the arrow always points to the direction the energy is going. Here is an example of some food chains they made.

In English we have been reading our new text Mr Wolf and the Enormous Turnip. The children have loved the similar story line to our previous texts and have made fantastic predictions of what might happen next with all the different characters that we can see.

In history we looked at life in the 1950s when Elizabeth II was crowned Queen and how it is different to today. The children were amazed at how not all families had a television or car and that milk was delivered in a glass bottle to the front door.

Class 2 Star

**Rewarded for working enthusiastically
in all his lessons.**

Celebrating Success

REWARDS OF THE WEEK

Well done to all the children that received an award for Marvellous Mathematician, Wonderful Writer, Hand Writer of the week, Reader of the Week or Breakfast Club Superstar. Keep up the hard work.
